I'm also interested in the Amnesia. I just can't find reference to which pound test to use for different situations.. Should I equate Amnesia diameter to the leader I'm using, or what ?

Keith I use the 12lb red amnesia blood knotted to 8lb gold stren from there I have a tippet ring and then run straight tippet. How you build your leader above the amnesia is up to you. You will get 100 different answers from 100 people on here.
