Anybody need pheasant tail feathers? - FREE

I'll be taking my annual visit to South Dakota to hunt my family's farm for ringnecks the end of this month. We normally throw all of our pheasant feathers away as I have hundreds already for tying. I can bring some tail feathers back on the plane if anybody wants them. I'll give them away for free but I'm not looking to ship them so only interested people in NEPA (pocono's), PM me. Thanks.
