Here's a Penns Creek Beauty from the first or second PAFF Jamboree in 2001? Caught in the same pool, with the same fly as the brown trout in the Fly Fishing Jamboree [photo album](#).

For some strange reason Dave K. omitted the chub photo but kept the trout pic when he moved the old Jamboree photos from the old PAFF site to the new one several years back. The chub is definitely a prettier fish.

Embrace the chub.
