Wetfly01. I was the new guy with the orange hat. I wish I had thought to mention that I was on here when I was asked to introduce myself, but I was equally caught off-guard and short on time so it escaped me.

I did enjoy your presentation and was thinking back on it just this morning. I thought I might try some soft-hackles this weekend. I am a little curious how those quick sink tippetts would cast on my 8' 4 weight.
