Bikerfish,

It's always worth the fight. I learned that at the battles of Big Spring and the Little J. In the words of my college hero, Bluto...

*What? Over? Did you say "over"? Nothing is over until we decide it is! Was it over when the Germans bombed Pearl Harbor? Hell no! And it ain't over now. 'Cause when the goin' gets tough... The tough get goin'! Who's with me? Let's go!*

In all seriousness, you never know. There is always hope when you fight and don't give up.
