I wanted to fish Slate once.... Tim Robinson ruined that 🙄 That was an inside joke. I hope she returns to her former glory. My extremely brief experience with her is that she is a beautiful creek. I hope I can fish her someday the way you describe her former glory.

I do not wish for the creeks north of I-80 to be closed for the Winter. It's my favorite time of year to trout fish. But I get why you believe that would help Sand.
