Nice fish, Swattie! I stopped by a local limestoner Friday late afternoon. I was dredging a sculpin in some of the best water. After nailing about a half dozen chubs..... I was "embracing the chub" for a bit but it did get a little bit old, I finally came to an awesome undercut bank of a big root system of a tree. I hooked into a "pig" of a brown just before dark in a steady rain. Had him on for about 5 seconds. For a guy who doesn't catch a lot of big fish, this was a milestone for me. I know where he lives..... I will be back!

Good looking pup! Even if it is a Pens fan!
