I had a short stint fly fishing at my mid teens but lost interest until this year. I took for granted the opportunities I had to fish with close friends and family. Now lifes slowed down a bit and I'm chomping at the bit to get back at fish with someone.

Gencon, looking forward to our tying sessions. I've been going off the reserve coming up with variations and they are getting dumber and dumber. Lol. My razor blade has been used ALOT lately.
