I don't know what stretch of the mcmichaels you're talking about?

The pohaquiline stretch? Sorry to burst your bubble, but that's now public(with a small catch)

Ohhhhhh....that crappy stretch by strawberry hill, but how much stream is that, 1000 yards? Big deal.

There's not much private water at all on the mcmichaels. I mean I own a small bit of it in the headwaters(4 linear acres), but besides strawberry hill and maybe below the appenzell, there's no long stretch of private water, so please guys, elaborate.
