Dear Tom,

Wanna bet the prices start at \$ 250.00 for the boots and \$ 150.00 for the sandals? If you buy a pair of their special wading socks and their top of the line waders you'll be able to drop a \$-gee whizz-\$ on waders.

Thanks but no thanks, felt without studs is better than studded Aquastealth, and studded felt beats all. Thank God for Cabela's, \$ 60.00 for studded felt!

Regards,
Tim Murphy 😊
