Get out on the water with this Creek Co. ODC Sport XR1 eight-foot pontoon boat. This is the perfect beginner boat as it is light, easy to set-up, maneuver and take down.

- ?Full take down, no-tools-required, heavy-duty black powder coated steel frame with Plastic Folding Seat
- ?8-foot long, 16-inch diameter heavy-duty 840 denier nylon outer covers with 30-gauge PVC Single Chamber Bladders fitted with Boston Valves
- ?Four individual cam-lock straps secure each pontoon to the frame
- ?6-foot, two-piece take down oars
- ?Heavy-duty steel clamp-on oar locks with nylon bushing inserts for smooth rowing
- ?Two large side cargo pockets for tackle and gear storage while on the water
- ?Large mesh stripping apron with raised edges for line control
- ?Motor Station including a transom for mounting an electric trolling motor and battery storage
- ?Walk through foot bars with 6-position adjustment to fit most anglers
- ?High volume two-way hand pump, complete with a set of hose adapters to fit all Creek Company Pontoon Boats and Float Tubes
- ?Fills pontoons quickly and efficiently
- ?Weight capacity: 375 pounds
- ?Overall weight: 50 pounds
- ?Overall size: 96 inches long x 54 inches wide x 30 inches deep

Boat is in good condition. Has some minor wear because I used it very lightly for 3 seasons. I am asking for 250.00 for it but the boat retails for 399.00. Boat includes stripping basket, oars, oar locks, pump, stripping basket and I will throw in a zip up life preserver. No leaks. The only complaints I have heard about this boat are the seats break... well that is not going to happen on this boat. I reinforced the seat with heavy door hinges. IT WON'T BREAK. Boat includes everything needed to fish. I am also willing to consider trades. I am looking for a decent full sized boat net with a long handle and rubber bag.
