PM coming your way. There were a few items from the Wivell farm up to the 'quarry hole' that I saw. I caught a rainbow fingerling, but that was it. Saw some nice fish on stream bottom in a few holes, but they weren't having any of it. A few hard strikes, but too much short-striking. TimB said he caught a healthy 12" bow near the quarry hole, but overall fishing was slow.
