The guys at TCO told me the bow was a stockie.

I was surprised to see the Tiger too, but pretty happy about it. I didnt think there were Brookies either stream....

The three times i've fished this river, all at the same location, I've caught fish...

First trip was a brown trout, next trip, a larger rainbow, and then yesterday the triple...

Great little stream. Maybe next time i'll explore a bit more around there....
