It's well known that big fish eat little fish, sometimes even their own kind...so would anyone like to share their favorite patterns to imitate these? here are mine, all tied Clouser-style (pics to follow):

Baby Largemouth:

- Mustad 3366, size 4-2/0

- Hareline heavy lead dumbbell eyes

- White/Olive/Black/Olive bucktail

- Black(under the black bucktail) and silver (over the black bucktail) Krystal Flash

Baby Smallmouth:

- Mustad 3366, size 4-2/0

- Hareline heavy lead dumbbell eyes

- White/Olive/Brown bucktail

- Copper Flashabou

Baby Walleye

- Mustad 3366, size 4-2/0

- Hareline heavy lead dumbbell eyes

- Tan/Brown bucktail
