Dub - Given your time constraints I think your best bet for fishing close to the Hershey Lodge is The Quitty. Go to the park in Annville and fish the DHALO stretch. Take 322 East out of Hershey to 934 North to 422. Turn right on 422 and go no more than 1/2 mile and the park entrance will be on your right. Quitty has limestone influence. Should be OK to fish even as cold as it's been this week.

I will say that if you only have an hour you are better off finding a bar with a football game or something. Probably close to a 20 minute drive from the Lodge to Annville.
