GG .. we ain't thinking abt cold snaps 🤦. Been taking the lil ones to visit their grandparents for many years over Xmas break and have really lucked out with the weather .... only a handful time chilly/cold for a few days ... not entire trip.

Found a couple of fly shops with-in 20-25 mins where I'm located and they will set me up with fly's and answer local questions. Looking forward to fishing a new destination ... figuring all I need is my rod/reel, lanyard with and other gadgets, sun-glasses, etc ... think wading isn't that big unless u want to possibly tussle wit a gate 🤪 so I will be leaving them and boots home ... just chuck fly's from the shore line of a lake or canal access point
