My last good deal was 444 8wt full sink for 10\$ at the Cortland factory store. That place is now a required stop on the way to the SR. Had I not been stranded for a few extra days in Pulaski, I was gonna swing by on my way home and grab a 9'5WT they had on the "no warranty" rack for 40 bucks. My buddy go a new reel for 15 bucks. Love that place!
