Bass and crappies and I didn't even have to venture far. Have gone out a bunch of times for an hr or 2 just in both parents communities ... lakes and canals in the communities holding as I saw some action on the lakes on my 1st day (AM run). Had a cool day on Friday as my nephew who has serious sensory issues and sharty parents had a ton of fun watching me land fish. Even got him on the rod but didn't work out too well.
