I saved up and got the 7wt SC Bank Robber and paired it with a Kraken. What an amazing setup. I took it to a striper tourney I fished in the fall since some of the guys like fishing schoolies because they're too old to hop rocks. I was throwing 6-8" articulated flies into some hefty winds like they were muddlers. The biggest I caught was 26" and I never felt like the rod was in any danger.
