Snitz Creek Microbrewery - Lebanon, PA

Author: : wgmiller

Date: : 2014/1/18 9:39:34

URL:

I have no association with this establishment whatsoever, but saw on the local news the other day this place opened. Looks like the owners have been bitten by the fly fishing "bug" and carried it over to their microbrew. I plan on making a trip to visit them in the near future as they just opened. If you're in the Lebanon area, stop in and show some PAFF "love"!
