I have the ichthus 3/4 and 5/6 I enjoy the reels very much. Put a lot of fish to hand. I am a "get the fish to the reel right away" kind of guy and the drag system suits my needs. I catch some pig stocker, after fishing derbies and stuff and even had the 5/6 on Erie Chrome and steelhead last February. It handled the SCREAMING drags of the chromers and even landed a nice brownie.
