We'll see Pcray. I think I went a lil heavy on the thread in the middle but looks ok 😬 I think??? Gonna tie a few more this week and not forget beads. I have such cabin fever but its warming up and I'm gonna tie a few more this week. I might be tempted to take a 1/2 day on friday, head out and fish with a few of my fly's exclusively.

On a side note .. there is a thread in the main forum abt what makes PAFF unique, good, etc ... any newbie/new poster reading this just take notice at all the knowledge and genuine help from good people. Posted this 2+ days ago after 2 members from this board walked me thru the FF show I've also had PM's, emails, etc .. people just wanting to help a mope like me get started.
