I am willing to buy or trade for spring grouse drumming gps coordinates on public land (Northeast PA). Please keep me in mind this coming spring trout opener. They sound like a lawn mower starting. Send me a pm and we can work out the details...

James, you ol' grouse hot spotter, is that you? I betcha thought you were being sneaky posting over here trolling for grouse hot spots? Good luck, I'll be out burning shoe leather scouting for good grouse hunting spots.

Lol it is not just fishing. Grouse Burning!
