Yea DJ ... that seems to be the consensus and I am/was decadently overdoing it. Few new techniques told to me so I hope to try them this week.

RJ it's OK   tho I'm bias to Maccallan or Basil and Haydens which I would recommend to JT. Haven't bought another bottle of Maker's since a buddy turned me onto it. It will be nice when we r no-longer frustrated and can just enjoy the tie and a beer lol
