I'm not real crazy about any of them.

However, I still get fly fisherman. And I resubscribe to it only after they offer me the big discount - \$10 a year for 6 issues. But I wouldn't pay the listed rate of \$30. I'm just not that interested in it - or any other magazine - anymore.

I mainly read it to keep up on new gear and books. And it does have some fishing destinations pieces that I find enjoyable.

I don't think any magazine publishes monthly anymore
