There is tons of old graphites and new graphites that have great action.

Here's a few.

Orvis superfine

Greys gs2 this rod surprised me

Scott g

Loomis xperience

Tfo pro has a med action

There's a lot more but I'm typing on my phone so ill keep it short.

For anyone looking for cheap rod Sierra trading had the gs2 for 59 bux or sumn. Try the 8 foot 4 weight it's a sweet stick.
