This is a pretty solid list.

Here's mine:

yellow

peach

roe

champagne/cream

Also good to have:

chartreuse

"pink lady" (a mixed color yarn of light pink and yellow)

Some people get wayyyyyyyyy too crazy with the number of colors that they carry. I'd rather have these 6 and plenty of each than a bunch of different colors. For steelhead i carry almost exclusively #14, but for trout i'll tie a handful of smaller suckerspawn in #16 or even #18.
