I was just at Cabelas. Found those Thing a ma bobbers. Got a pack. First, they are comparatively inexpensive. (5 or 6 for 2.49 ) Second, If you like balloons they look like little balloons. You just loop them on like those yarn ones with the ring so you can adjust teh height and put them on before or after tying on the fly. They weigh very little (good in my opinion for casting) Can't wait to try them.
