Never seen a fight.

Squairetail- once posted that a guide yelled something like""I have the bail money" to someguy that was fishing nearby where he wanted his clients to fish. Sure it was'nt too funny then- but I laugh at that one. Think that was the Salmon River in NY.

Had a guy walk right in the top of a run I fishing at Benner for tricos- I would like to think he did'nt see me since I was in the shade and the sun was in his face. Still did'nt move off though.

The world is a funny place.
