I'd check to be sure you can diy? I believe you need a guide to fish in Canada. At least that was true on my last trip. GG

Not so.

There are a few provinces where that is true - and at that, I think it's only for certain watersheds.

When I vacationed in the northeast area of Canada, I wanted to take a shot at some Atlantic salmon fishing. And one place I could legally go DIY was on the Margaree River in Nova Scotia
