The guy in the article may have referenced the Haystack, but he was presenting the DHE as a new pattern.
Hans Weilenmann ties it here:

<http://www.flytierspage.com/steps/dhe/dhe.htm>

and has a video:

<http://www.youtube.com/watch?v=WOseyo9SaEE&safe=active>

Does Cauicci & Nastasi reference the Haystack in Hatches II? Their comparadun looks like a Haystack w/out the hair tail.
