I don't know. I'm pretty conscience of that and was always a big etiquette guy when I played golf. Also consider the guy was making small talk with me and there was was a dad with 2 young sons closer to him on his side.

I don't think I was that close at all when i think abt the how many people and how they fished this section today. Then again if it was my bad he could've just said something instead of chucking a fish 3/4 across the stream.
