Yes, I believe it was called Twin Pines. Gas station right beside it with a fone booth that used to get used heavy The first week of buck season. Long before cell fones. The bar sat right at Rt 6 and West Rim Rd, I think? The road that takes you up to Colton Point. That is if we're talk'n bout the same place. Second place I was in a bar room fight. First was the PennWells in Morris. 3rd was the Horse Shoe Bar just to the west of Wellsboro on the north side of 6. Oh, to be 18/19 again.
