Our Las Vegas member (Six Gun) ventured east this week to assist his mom and Englishprof invited him out to fish a local favorite. I was invited to go along. I was unsure whether I could make it because a few things came up but I was able to get out a few hours with them and I'm glad I did. It was great to meet another PAFF member and a damn nice guy too. He had only ever caught stocked Bows here in PA and it was great to see him get that first PA wild brown. John and Luis, thanks for the invite. Below are a couple of shots of Luis and his first PA brown!

Congrats man!
