Fox,I am guessing the FH is a bar.I fish Centre co. quite often and am always looking for spots to get a good burger and a cold one.Could you enlighten me as to where this is.Heading up next thursday to following monday and would like to possibly check it out.

FH stand for Firehouse. A bunch of us are social members of the Millheim Fire Company. \$1.50 beers, great food and free darts, pool and shuffleboard plus 3 TV's to watch sporting events. I great way to unwind after a day of fishing.
