Great stuff, Jack... making me relive some memories...

I have enjoyed many o'beer with Mo, but have not had the pleasure to fish with him... A genuinely great guy! So many of the guys I have met are more than great fishermen, but great people as well... quickly Jack, Albatross, Bruno, DaveS, Ryguy, bikerfish, DFG, Nello... all class act. I think back to my first trips with members... My wife thought for sure I'd be found dead - roadside - when I only knew the people I was going to erie with from the internet...

or the initial trip to spring creek in feb to shake off the winter blues.

Alby willing to fish less productive water while I tried to reach the big one clear on the other side of Penns

Bruno helping to test a new tippet material

DaveS insisting I take the cast everytime we get to the "redhead" hole on the yough (I think it's the same fish every time!) I'd like to see the redhead again, though!

DFG... someone else who loves fishin' the small stuff!

Great guys that are helpful, welcoming, and always willing to discuss the fishing over a cold beer!
