Hello. I live here near Lewistown Pa. I fish mostly Kish Creek. I always used spinning gear. I recently purchased a fly rod. I was wondering if anyone would fish with me sometime to help me learn some about fly fishing. I can go to Penns Creek as we'll. thank you in advance for all your help. This forum is awesome

I have only been fly fishing for a short time, but I'd love to go with you. I live just outside of Lewistown and fish often, so let me know when you would like to go. Once you get the basic casting down, fly fishing is so fun.
