Anybody in the Lycoming County area fly-fishing ? i live in Williamsport right now and me and my buddy are looking for other fly-fisherman to fish with. We have been fishing Loyalsock Creek lately and have planned a steelhead trip for the week in Pulaski NY. Anyone know of any good stretches to check out? im from Bellefonte so i am familiar with some of the places closer to home ( Spring, Penns, Fishing, Pine) but have had some trouble finding good places in lycoming county.
