Wow you actually fished that? I am sure there were monsters in there.

they're in there. I just couldn't seem to get at 'em with my 10' 7wt, 18' leader, 3 streamer loch style rig.

Come on now you are just being silly. Kinda like wasting your time on a stream like that. I am sure your glass rod and giant beard and can of PBR approved though.

Lol you know I am just busting balls.
