The other thing to remember is that access or easements (not sure which term is correct) are being purchased all the time. Not sure how long ago you were last there but there may be more access than you are used to. I fish like you most of the time. I don;t like to fish the same hole for too long especially with strange company. (most of the time not even with friends) You live far enough now that maybe its not worth the drive but if you find yourself withing an easy drive at the right time, I'd get a hold of one of us out this was and give it a go. I've only been twice. I cringe at first site of other anglers and I find it very easy to enjoy myself.
