Have not tried them yet

I tied some for our TU raffle at our meeting and one fellow got them but I don't know whether he fished them or not

tying instructions

Clean groove out of bean (careful beans are soft)

put a thread base on hook

tie in crystal flash for legs (cut thread off)

glue thread and bean

put on hook let dry

pull legs up and glue to underside of bean

coat the whole bean with Sally Hansen hard as nails (clear)
