two were sitting under a downed tree, and the other one was sitting in 18" of water a foot off the near bank near that big concrete block just above the car park opposite T351.

Not anymore . . .

my last visit was in August, so i think he may seen a few flies since then 😊

Jack, any clear water trouts are an education that is for sure.

imho on spring creeks and tailwaters, if you can see fish and are not thinking about your fishing, you are probably not catching any fish.
