If a stores staff treat you well and you like the products then shop there. I shop at Orvis, TCO, Gander, Cabelas and I got a present from my Brother that I knew in an instant it was from Ron's Flies by the way it smelled. I love his shop. He doesn't even have internet. If they treat you right shop there. If you don't need an expensive dog bed you really aren't really forced to buy one. In this economy I say the best of luck to anyone starting a business. It beats working for corporate anyday.
