Hey, I updated the Master Index page for the flies that have been tied for swaps over the years. That page is here:

[Master Index For PAFF Fly Swaps 2003-2007](#)

If anyone uses this page and encounters broken or incorrect links, please let me know. I think I have it all straightened out, but if not please let me know so I can fix it. Also, if anyone has ideas how to make the page more useful, I'm listening.
