Wetnet, really wish I could be at the show this saturday but unfortunately I have to work...booo! However, I wouldn't mind meetin' your buddy. And yes, I've been known to drink rum from time to time. Does he post here? Wow! Your son is 6' 4. You'd think the fish would spot him coming before he reaches the water.lol In fly fishing I have a natural advantage being as stubby as I am. No matter where I am, I keep a low profile. Even on high ground! Seriously, my family is always telling me that I'm too introverted and I need to try and meet new people.. so I'd like to meet the funeral home guy...do we get to take the hearse to the creek?
