I think he refrains from drawing attention with the hearse. People might think there's been a fish kill. He is a really a great guy and just loves sailing line. And no you don't have to be a drinker to fish with him, that's not what he's about. He's all about the fishing and enjoying the moment! Heck I just have fun watching him fish. I'll ask him if he has some free time to sneak away. People chose the worst times to die.
