Oh no now everyone will know my best carping spot is the tully! Hah plenty of them to go around :0 I can tell you right now if its carp on the tully you want, go with a clouser swimming nymph. I know a spot that always has dozens tailing, once got a twenty pounder! they get huge on the tully. pm me if you have more questions, im willing to help anyone who wants to catch carp. its about time they got some respect!
