I tried, and had a brief email correspondence with them a few months ago. They were to send me materials, and never did. I was unable to attend the meetings because of my work/class schedule. When are the meetings now? I might be able to make it. If not, I definitely will once I finish my last class in a few weeks.

Hopefully they'd have me, despite the fact that I'm not going to hide the fact that I'm working for my own benefit.
