\$5 bucks a fly??? I am going to add snorkel and finns to my flyfishing gear. I'm cheap. I won't snap off green weenie that i hate and are easy to tie.

Maybe I should bronze the sculpin and put it up with the "good" china.

Oh, and what is the "proper" way to fish the sculpin?

Inquiring minds.....

I caught one this weekend on a caddis nymph. It looked alot like Don's. He wouldn't tell me the recipie either.
