To hell with the secret \$5 sculpins.

Anyone have any good patterns that they would like to share? Keep in mind, I WILL share them with people. If it's your own pattern I'll call it <your name here>'s sculpin. I will not, however, pay you a dime!

Also, I know sculpins are common on the LL. what about the tully and some of the smaller freestone streams in the SE. Are they that common?
